Memphis and St. Louis.
It will, in a short time, be the grand terminus of the great chain of italiroads from Charleston and Savannah to the Mississippi River, the last link of the great chain being the Nashville and North Western road, which terminates at ickman, and is now in course of construction. Its tribu lary country is very large, and embraces the most fertile and wealthy por ious of West Kentucky and Tennessee. A Marine Railway and Dock Company has been organized with funds enough at command to ensure the completion of that enterprise, fraught with so many advantages to the place. Add to these two improvements—the Railroad and Marine Railway and Dock—the many other minor improvements daily made, and Hickman offers inducements to capitalists and business men of almost every description,

FOR THE COMPLETE CURE OF COUGHS, COLDS, INFLUENZA, ASTRIMA, BRONCHITES, SPITTING OF BLOOD, AND ALL OTHER LUNG COMPLAINTS TENDING TO CONSUPMTION. This preparation is getting into use all over our coun. The numerous letters we receive from our various agents, orming us of cures effected in their immediate nuighbor. informing us of cures effected in their immediate anighter-hoods, warrant us in saying it is one of the best, if not the very best COUGH MEDI-INE now before the public. It almost invariably relieves and not unfrequently cures the very worst cases. When all other Cough preparations have falled, this has relieved the patient, as brurgests, dealers as Medicines, and Physicians can testify. Ask the Agent in your nearcat rown, what has been his experience of the effects of the medicine. If he has been selling it for any longitude he will tell you IT IS THE BEST MEDICINE EXTANT. Below we give a few extracts from letters we have received Below we give a few extracts from letters we have received lately regarding the virtues of this MEDICINE.

Dr. S. S. Otlin, of Knoxville, Ga., asp: "Inave been using your LIVERWORT and TAR very extensively in my practice for three years past, and, it is with pleasure I state my belief in ITS SUPERIORITY OVER ALL OTHER ACTIONS.

Our Agentin Pickens District, S. C., Mr. S. R. McFall, assures us "that he uses it with great benefit in his own family, and recommends it to his neighbors." He gives an instance of a Negro woman, in his vicieity, who had been suffering with disease of the Lungs for years, attended with severe cough, who was relieved by the laverwork and Tar. Such are the good reports we hear of this Medicine from all parts of the South. For a report of the surprising cure it has performed in the Western and Northern and Eastern

States, we would invite the affering patient to read the pamphiet which accompanies such buttle. To all, we say have hope, have hope THY THE MEDICINETI BE WARNED IN SEASON!
